WHAT'S UP THIS WEEK

NOW REACH IN 5 MINUTES ROPEWAY SERVICE FOR SURKANDA DEVI BEGINS

Ahead of Char Dham pilgrimage, devotees and tourists now can avail of ropeway service to visit Mata Surkanda Devi Shrine in Kaddukhal of Tehri Garhwal. From Thursday onwards, a new state of the art ropeway system began operating. Surkanda Devi is regarded as one of the 52 Shaktipeeths with Goddess Durga worshipped at the shrine, which is at an altitude of 2,750 meter above the sea level. Now, pilgrims can comfortably reach the shrine in just 5 minutes using the ropeway. On foot hilly terrain uphill journey from Kaddukhal to Surkanda shrine used to take from 1 to 2 hours. The panoramic view of the Himalayas and Doon-Rishikesh valley from Surkanda temple makes it an ideal place to visit. Temple remains open round the year and a major festival on the occasion of Ganga Dussehra in summer is organized annually drawing pilgrims in large numbers. According to Surkanda Devi ropeway operating company the 600-metre-long ropeway consists of 6 towers and 16 trolleys. Each trolley has a seating capacity of 4 passengers with a person fare fixed at Rs177. Ropeway trolley will operate from 9-17:00 hours daily. Latest design, technology and safety measures are in place in the ropeway system. Surkanda temple ropeway project, at a cost of Rs30 Crore, the foundation stone was laid on October 25, 2016, with Covid-19 spread in 2020 impacting the speed of the project work.

WEARING OF MASKS MADE MANDATORY IN U'KHAND - FINE ₹ 500/-

A total of 24 Corona cases were reported in Uttarakhand over the past 24 hours, as compared to 16 cases the day before. In view of the rise in the number of cases, wearing of masks has again been mandatory in public places. A penalty of Rs 500 will be levied in case anyone found without a mask in public places.

MUSSOORIE'S MALL ROAD TO GET FACELIFT SOON

The Mall Road, central attraction of Mussoorie, will soon be redesigned and beautified, along with several added amenities, the Mussoorie Dehradun Development Authority officials said on Sunday. The existing hawaghars, murals, benches on the Mall road would be repaired. MDDA vice-chairman Brijesh Kumar Sant inspected the road and discussed the various possibilities of a facelift with stakeholders.

SHISHAMBARA TRENCHING GROUND TO BE MOVED

The Dehradun Municipal Corporation has approved to relocate the Shishambara trenching ground. They are waiting for administrative approval for a new location. The locals who have been protesting for years over the shifting of the trenching ground, say it was close to the residential areas. The trenching ground was shifted here from Sahastadhara in 2017 and since has been a topic of contention for the locals. The fire which broke out at the Shishambara trenching ground in the first week of April, blanketed the area in haze and has caused breathing problems among residents. "Last month, the area had been stinking much more than usual. After the fire, we protested, following which we were reassured that the fire would be put out before the weekend and that the foul smell would be taken care of. But the area still stinks and the smoke and haze has made living conditions horrible," according to locals.

'ALTERNATIVE CHAR DHAM ROUTES TO BE MADE IN CASE OF CALAMITY' - SATPAL MAHARAJ

Tourism Minister Satpal Maharaj in a review meeting over Char Dham Yatra preparations on Saturday, directed authorities to keep alternate routes ready in case of any natural calamity or road blockade during the yatra to the four Himalayan shrines of Gangotri, Yamunotri, Kedarnath and Badrinath, which begins on May 3. The minister said that a plan for backup routes should be there so that devotees can continue with their pilgrimage without any problems. "Proper signage boards need to be set up to direct pilgrims towards alternate routes and avoid delays," Maharaj said. The Minister also directed officials to ensure that "all protocols are followed and the per-day tourist footfall capacity of each shrine isn't breached." Further, he asked authorities to arrange for masks and sanitizers for the pilgrims amid concerns of a fresh surge in Covid cases.

SATPAL MAHARAJ

OVER ONE LAKH PILGRIMS REGISTER FOR CHAR DHAM YATRA, MAXIMUM FOR KEDARNATH

In positive news for the state's tourism sector, more than 1 lakh pilgrims have already registered for the Char Dham Yatra, scheduled to start on May 3 with the opening of Gangotri and Yamunotri shrines. Out of the total 1,02,508 registrations made so far, the highest of 41,107 are for Kedarnath, followed by Badrinath (29,488), Gangotri (16,804) and Yamunotri (15,829). The registration facility for all four revered shrines is available both online and offline. Those who come to these temples without booking will be provided with the option of on-spot registration at different counters set up along the Char Dham routes. Additionally, a control room has also been set up in Dehradun to provide all relevant information to the pilgrims. A toll-free number "1364" and other helpline numbers—0135-1364, 0135-2559898, 0135-2552627 and 0135-3520100—have also been released for this purpose. On average, the control room receives 400-to-500 enquiry calls per day. This year, a vehicle tracking mechanism has been introduced. Also, cameras on the route will keep track of traffic and 'yatra mitras' available at over a hundred kiosks will assist with on-spot registration for pilgrims. Last year, over four lakh pilgrims visited the Char Dham shrines between September 18 and October 31, with the maximum footfall of over two lakh in Kedarnath.
